Farmingville, NY - On the evening of December 17, Councilman Kevin LaValle (left) attended the Centereach Youth Civics' December meeting, at which a total of 627 cards were tallied for their seasonal Holiday Card Drive. All cards will be delivered to Stony Brook Hospital to benefit children who will be spending their holidays in the hospital.

Councilman LaValle said, "I commend the Centereach Youth Civic for this effort to help lift the spirits of hospitalized children by letting them know that the community cares and wishes them well during the Holiday Season. It is truly my pleasure to support young people in our community trying to make a difference. Thank you all for the work you have done and I am looking forward to our continued collaboration in the years to come."
